The screenshot shows the BRI mobile banking application interface. At the top, there is a blue header bar with the text '# Description' on the left, 'Elapsed' in the center, and 'Status' on the right. Below the header is a dark blue navigation bar with icons for home, transactions, promotions, and account.

The main content area displays a modal window for account opening. The modal has a dark gray background with rounded corners. At the top left, it shows the time '18.08' and various status icons. On the top right is a circular bell icon. The modal's title is 'Halo, RUDDY SATYA ANDIKA'. Below the title, it says 'Rekening Saya' followed by a masked account number '*****' and a QR code.

Below this, there is a horizontal row of four buttons with icons and labels: 'Rekening Saya' (wallet icon), 'Riwayat' (refresh/circular arrow icon), 'Favorit' (star icon), and 'Terjadwal' (calendar icon).

The central part of the modal is a large white rectangular area with a blue progress bar at the bottom. At the bottom of this area, there is a text instruction: 'Klik di mana saja untuk tutup' (Click anywhere to close).
